

**NoMa / New York Avenue Metro Area
Vision Plan and Development Strategy
Public Meeting December 13, 2005**

Please consider these questions and help us understand the needs and issues for NoMa

THEME 1: BALANCED LAND USE

Q: What is the right mix of residential, office, retail, cultural and other uses?

THEME 2: QUALITY DESIGN

Q: What should NoMa's design identity be?

THEME 3: WORKABLE TRANSPORTATION

Q: How can transportation projects in NoMa balance pedestrian, bicycle, transit and other needs?

THEME 4: TIMELY INFRASTRUCTURE

Q: What are the most pressing infrastructure needs in NoMa (i.e. water, sewer, power)?

THEME 5: ATTRACTIVE STREETS, SIDEWALKS AND OPEN SPACES

Q: What kinds of open spaces are needed (green parks, green streets, paved “plazas”, pocket parks, etc.)?

THEME 6: COMMUNITY: NEIGHBORHOOD ISSUES

Q: How can NoMa best be integrated with the surrounding neighborhoods?

THANK YOU!!!
